AUTO CHECKIN 5pm

CHECKOUT 11am

Thank you for your booking!

Here is the general info for the tent you have booked.

Our Tents are organised for an **AUTO CHECK IN/ CHECK OUT.**

El Checkin is at 5pm unless we can offer an easier check in. Normally we can offer an earlier check in. Please contact Marcos 605 293245 WhatsApp to see if its possible to come earlier.

The tent will be open and your lock inside. The code for the lock is 101.

The **'auto check-in'** means that no one will disturb your stay. If during your stay, you need any help, you can contact Marcos or Paco. Best and most practical way to contact us is via whatsapp.

The **auto check out (salida) 11am** Please leave the lock in the same place and open.

The auto check in y check out is very practical for all of us, For this reason we have done these detailed instructions. But if you really need help we can pick you up in the Lidl supermarket, but please organise the day before and tell us what time exactly as to not waste anyones time.

Thank you.

1. The property works from solar and wind power. Use the house like any other house. But please be **energy wise**. No **Electric Toaster, Electric Heater**. Please use **LOW VOLTAGE Hair Dryer**. If not sure, please ask Marcos. If the electrics are misused they system can cut to protect it self and will switch on after some hours which gives it time to recuperate. This hardly happens. Remember, if in doubt, please ask. The positive side of this is a holiday free of CO2.
2. Washing Machine only with **Cold Water**. **Instructions above washing machine**. Use washing machine when there is wind or sun. Washing Machine Located by the Caravan.
3. No pets allowed in Tents.
4. There is plenty of water for showers, but in the south of Andalusia we all have to be **water wise**. Use what you need, please do not waste unnecessarily.
5. Hot water is through a gas heater with a gas bottle. It is automatic,.
6. Make sure the **Gate is closed, and double check it is closed**. If the cows get in the garden, they will destroy and eat everything that is green.
7. Be careful in Summer time **with Fire**. Everything is very dry, and fire can spread faster than we can run.
8. Please be respectful for others in the other houses, and do not **make noise after 11pm**.
9. If you want **extra cleaning it can be organized**, let us know .You will have to pay the cleaners directly. They charge 10 euros per hour each
10. LEAVE FURNITURE BACK TO ITS ORIGINAL PLACE IF YOU MOVE IT!
11. NO SMOKING INSIDE THE TENTS. DO NOT THROW CIGARETTE BUTTS IN GARDEN. PLEASE DISPOSE IN RUBISH BIN. IF YOU DECIDE TO THROW THEM IN THE GARDEN WE PREFER THAT YOU STICK THEM UP YOUR *****
12. NO BRINGING MORE PEOPLE THAN THE INITIAL BOOKING.
13. Remember always that if you need some help, contact Paco +34 649671399. Or Marcos +34 605293245 via WHATSAPP or at marcoswelsh@mac.com
14. **WE RESERVE THE RIGHT TO ASK YOU TO LEAVE WITH NO COMPENSATION IF THESE RULES ARE BROKEN.**
15. Main rule, enjoy and relax, you are on holiday!!!:)

WATER and FOOD SHOPPING

The water comes from a Water Well on the property and is drinkable. But it has a lot of calcium, so we have to pass it through a salt filter which leaves it a bit tasteless and sometimes its a bit salty. So we recommend to drink bottled water. But its fine for cooking and you can drink it.

We recommend to do your food shopping before arriving if you are tired and thinking in relaxing after check in. It will save you from driving back into town and back again. We do not leave any food or basics from past guest as we have had some complaints because of this, keep it in mind when you do your shopping. On Sundays supermarkets are closed, there is a 24h 7 days a week basic food store by the only traffic light in Tarifa, by the entrance to the old town. Drive from supermarket Lidl strait down towards the sea, you will come to the traffic light.

RUBBISH

You can take glass and paper to the bins by the bird watching station, and the general rubbish to the container at the entrance from the N 340 road. We dont have plastic and tin recycling close, you will have to take that into town if you want, or leave it in the general rubbish. We have an organic waste bin at the end of the garden by the circle, please dont put in any citrics, meat, fish.
